Service Description:

SureTest Laboratory, LLC provides laboratory service to Private Practice Physicians, and House Call Physicians Groups. We are excited to introduce our Private Pay Program for you and your patients. Getting low cost blood testing will ensure that your patient is not being taken advantage of.

Private Practice Physicians: SureTest Laboratory, LLC will take care of all your laboratory needs for your practice. Our courier service will pick up specimens as well as drop off supplies (when needed). Depending on your volume, SureTest can evaluate to see if your office would qualify for an in-office phlebotomists.

HouseCall Physicians: SureTest Laboratory, LLC has a phlebotomy service as well as just having a laboratory. We can perform all your Laboratory and Phlebotomy services which will be a great addition to assisting you with your “Plan of Care”. Try our services to see if they accommodate your desires in both Laboratory and Phlebotomy services.

** Our goal is to become very flexible to your needs so you can customize your own profiles.*

Provider will:

- Perform Phlebotomy and Laboratory services following the physician orders that is forwarded to us.
- Collect and transport specimens to laboratory for analysis.
- Maintain privacy of patient at all times following HIPAA regulations.
- Maintain a limited liability insurance policy of 1 million per occurrence/ 3 million aggregate during the timeframe of providing phlebotomy and laboratory services to the facility.
- Report patient results to facility within a 24-48 hour timeframe when lab receives it. Higher complexity testing and cultures may have more delay.
- Contact physician if any ICD-9 codes don't meet “Medical Necessity “so there is no delay in testing.

Physician/ HouseCall Physicians will:

- Provide an eligible physician order either by your computerized demographic sheet or by filling out the requisition provided by SureTest Laboratory ,LLC. It must include patient demographics, Medicare number, ICD-9 codes and test requests.
- Provide the current information for reporting patient results.
- Provide SureTest Laboratory, LLC with accurate billing information or a copy of front and back of insurance card for processing.

By signing this agreement, both Physician and SureTest Laboratory, LLC understands and will follow the information listed in this agreement.
